

Maria Gutzeit

Santa Clarita City Council

For Immediate release: MARCH 11, 2008

Breaking News: I am so excited to receive the endorsement of the **Los Angeles League of Conservation Voters!** Growth and traffic are such big concerns here. After working with the Nature Conservancy on critical language for the Open Space Measure, with the Bike Coalition on regional bike planning, and with the Water District on the Whittaker Bermite cleanup (which means more roads!)....this is a great acknowledgment. Business and environment are not mutually exclusive. Together with planners, builders, and government officials, we can continue to preserve what's great in Santa Clarita. Read on for an excerpt of the LALCV letter, and check out their website for more information. - Maria

"The Los Angeles League of Conservation Voters....works to support those candidates running for office throughout the County of Los Angeles who are committed to preserving and protecting the environment."

"We are looking for environmental champions, and we believe that you will be a champion for the environment."

Mitchell Schwartz, President

Deadline: April 1st, 2008

You may register to vote if you meet the following criteria:

- ☐ You are a United States citizen
- ☐ You are a resident of California
- ☐ You are at least 18 years of age (or will be by the date of the next election)
- ☐ You are not in prison or on parole for conviction of a felony
- ☐ You have not been judged by a court to be mentally incompetent to register and vote
