

# Jeanie Larson Kaufmann

Resident of Valencia, CSUN Public Health Education student, OFA Team Coordinator

I moved here from a small town in rural Illinois 5 years ago, where I served on the Executive Board of my county's **Democratic Central Committee**. I have also been an elected **Precinct Committee Chair, Delegate** for **Howard Dean** in 2004 and active in every Democratic presidential campaign since **George McGovern's**.

As a former **Registered Nurse**, now completing a degree in **Public Health Education**, with an emphasis on nutrition, it is my goal to teach the public how to achieve and maintain wellness. At COC I was involved with teaching parents how to feed their children in an affordable, nutritionally healthy way. My volunteer activities include the **"Read With Me"** literacy program, **The Gentle Barn** and the **March of Dimes**.

As a single mother, and former high school drop-out, my passion is **education**, and my greatest source of pride are my children. My older daughter is an **electrical engineer**, my son is a **commercial airline pilot**, and my youngest daughter is a straight A student at **UC Berkeley**. I believe, and have taught my children to believe, the words of one my heroes, **Robert Kennedy**, who said,

***"There are those who look at things the way they are, and ask, why...I dream of things that never were and ask why not?"***

I believe that every Californian has a right to a **quality education** and **quality healthcare**. I believe as Democrats we can pull together to make this a reality. I would like to be part of this process and would appreciate your vote. Thank you.

Vote for **Jeanie Kaufmann** for California's 38<sup>th</sup> Assembly District Representative
