

(3/30/09-postSUNDAY) **ALL VOTES HAVE NOW BEEN
COUNTED
THE RESULTS ARE CERTIFIED
BECAUSE OF YOU
WE ARE IN THE RUNOFF!**
**ROBERT NAKAHIRO FOR L.A. COMMUNITY COLLEGE
BOARD, SEAT NO. 6**

Dear Supporter and Friend:

The results are now certified as final. From a crowded field of six candidates, we emerged second. Since no one received enough votes to win the seat outright, it is with great energy and excitement that I let you know that because of your efforts we are on our way to victory!

**WE ARE IN THE RUNOFF AND WILL FACE OUR
OPPONENT IN THE MAY 19, 2009 GENERAL ELECTION!**

I cannot begin to thank you for your financial support and for sharing my candidacy with your circle of family, friends and colleagues. **I could not have come this far without you! You helped us communicate our message throughout the community college district.** You empowered me to campaign throughout diverse communities from the San Fernando Valley to San Pedro, and from Westchester and West Hollywood to the cities of the San Gabriel Valley. I never stopped speaking about my vision of individual empowerment through a quality community college education, and all of this was possible because of you. **I told you if we made it into the runoff, we will win. Well we are now in the runoff and I am telling you we will win!**

I want you to know I am forever grateful for all you have done for me. I say without a doubt this day would not be possible without you. As our journey together is only beginning, always be assured I will never forget all your support and help.

NOW LET'S WIN!!
