Hillary Clinton for President

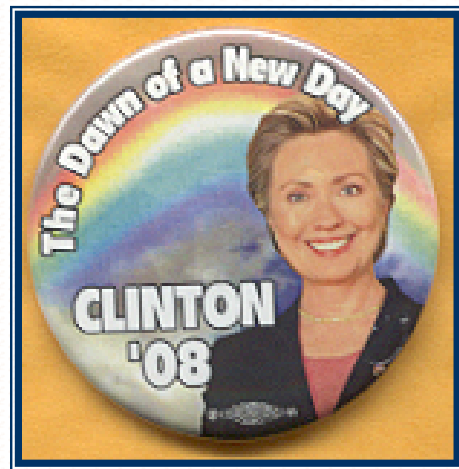

Los Angeles Headquarters
600 South La Fayette Park Place
Los Angeles, CA 90057
(Between 6th Street and Wilshire Blvd)

You are invited to join with other California
Hillary Clinton supporters to watch the
returns of the first-in-nation caucus that
officially kicks-off the 2008 primary
election season!

You are also invited to help make history.
The month of January will be a busy one
for the Clinton campaign and we need your help reaching out to
voters as Californians begin casting absentee ballots just four days
after the Iowa Caucuses!

Election Day in Iowa will mark the start of Senator Clinton's road to
victory! It's time to pick a president
