

Pasadena Doo Dah Parade Jan. 20, 2008 (Voter Contact)

Bill Richardson is Pasadena's native son and we've been invited to participate in the annual Doo Dah Parade (where they value strangeness) for a political march with a twist.

Our mission: have fun demonstrating Governor Richardson' message of "change and experience."

We are looking for as many participants to help plan and march in the parade, rain or shine. You might be on television! This year's Doo Dah Parade will take place on the date of next year's inauguration, definitely serving up some political pundits!
