Sacramento Phone Banking

We were able to secure a midtown location for a phone bank and should start making calls within about a week. Details to come shortly.

Stonewall Endorsement Meeting

On Monday the Sacramento Stonewall Democratic Club held their endorsement meeting. Assemblymember Jones spoke passionately on behalf of Edwards and we were able to secure more votes than any other candidate (Edwards 14, Clinton 11, Obama 9, Kucinich 5). We did not receive the necessary 60 percent of votes to secure the club's endorsement. However, this is still a great feat considering the large "official" presence of Clinton and Obama in town.
