*On the occasion of Garay's birthday, you are invited to a dinner to sponsor Garay Menicucci and Rosa Melendez in the 2008 Amsterdam Marathon to benefit AIDS Project LA. APLA is the largest AIDS service provider in southern CA. Los Angeles has the second largest population of people living with HIV in the US and the largest in California. Infection rates are rising among African American and Latino women as well as gay teens of all backgrounds. Federal funding for AIDS research and healthcare delivery has remained stagnant while billions of dollars have been poured into the wars in Iraq and Afghanistan. Help us smash AIDS. Come to the benefit dinner. Donate to APLA. To sponsor us go to [www.aidsmarathon.com](http://www.aidsmarathon.com) Click on "Donate". Click on "Los Angeles". Put in our team number "9103" and donate whatever you can afford. To join us for dinner RSVP to [garaymen@hotmail.com](mailto:garaymen@hotmail.com) One and all are welcome.*
