"In this remarkably cogent and carefully researched book, Medea Benjamin makes it clear that drones are not just another high-tech military trinket. Drone Warfare sketches out the nightmare possibilities posed by this insane proliferation." —Barbara Ehrenreich

"Activist extraordinaire Medea Benjamin has documented how the U.S. government's use of drones to murder hundreds of innocent civilians in Afghanistan, Pakistan, Somalia and Yemen has increased the danger to our national security." —Ann Wright, U.S. Army Colonel (Ret.)
