Please join Valley Grassroots for Democracy on Thursday, June 24, at 7:00 p.m for a reading and discussion with Reza Aslan.

Dr. Reza Aslan, an internationally acclaimed writer and scholar of religions, is a contributing editor at the Daily Beast (thedailybeast.com). Reza Aslan has degrees in Religions from Santa Clara University, Harvard University, and the University of California, Santa Barbara, as well as a Master of Fine Arts from the University of Iowa, where he was named the Truman Capote Fellow in Fiction.

We were privileged to have Reza visit our club in April 2008 to discuss his first book, the international bestseller "No God But God". The book was named one of the 100 most important books of the last decade. It was a packed house then and we hope to have a packed house at our June 24th meeting when Reza, presents his latest book "Beyond Fundamentalism", published in hardcover as "How to Win a Cosmic War". We will have copies of the book available for \$16.

The meeting takes place at the State Building Auditorium, 6150 Van Nuys Blvd at Calvert. Entrance is on Calvert and metered street parking is available.
