

“Democratic Doings” by Joyce Evans

October 2, 2007

HELLO DEMOCRATS,

As promised, here is the VOTER REGISTRATION UPDATE:

If you have never done this, you are missing a neat experience. It is only a **2-hour commitment** (I spend 25-30 hours a week arranging all this). You sit with another volunteer, **never alone**, and I make sure you are trained. 2 hours can give you the satisfaction of knowing you pitched in at a very important and historical time.

Let us turn the Santa Clarita Valley **BLUE!**

HAVE A THRILL BY SIGNING UP new voters as Democrats. Be ecstatic seeing a Republican changing to Democrat! 6% of the folks we have registered so far have done that.
