

Come join our exciting ROAD TRIP & WEEKEND CANVASS

November 3rd, 2007 ... in Nevada! Why Nevada?

- 1) Help do one of the most important things to help Senator Obama win the Presidency!
- 2) Nevada is the Second State in the Country to host a caucus. Help set the tone for the campaign by getting the same type of attention like Iowa and New Hampshire.
- 3) Because of the previous low caucus turnout, finding Obama supporters are incredibly valuable! Compound this with the fact that the entire country will be watching to see what happens in Nevada, the voters you find on this trip will affect history!
- 4) The race is a battle in Nevada so Senator Obama needs your help. Asking everyone from Idaho to come isn't practical. We need you for a few weekends to join Nevada's precinct captains to canvass like crazy.
- 5) You will receive excellent training on: how to use a voter file, phone banking and canvassing skills with members of the Nevada field team.

6) Learn techniques and practices that work. See how and what is required for a well structured campaign office. You can take these skills, structures, and replicate them in your own areas.

7) Make relationships with a field staff that is a great resource as you get deeper into your organizing.

8) Have a great time!

Opportunity to go Saturday and/or decide to stay Sunday too. Please sign up now!
