

HELLO CCAC Members and Friends,

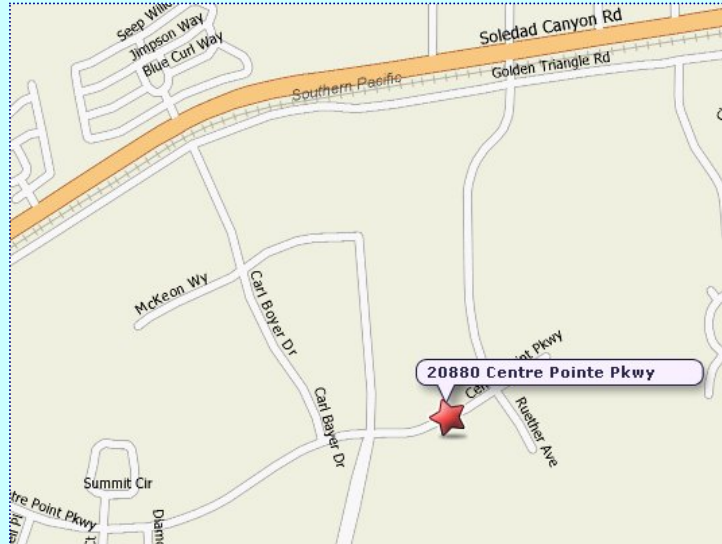

The next Canyon Country Advisory Committee meeting will be held WEDNESDAY, November 19, 2008, from 7:00 PM to 9:00 PM, in the

**George A. Carvalho Activity Center Banquet Room,
20880 Centre Pointe Parkway,
Santa Clarita, CA.**

This should be another informative and exciting meeting.

Curtis Williams will present results of the Canyon Country Extreme Neighborhood Makeover and what comes next .

Want to STOP overcrowding in our residential areas? Our members and neighbors who live in Monte Verde are leading the effort to get the City of Santa Clarita to draft and adopt an ordinance that would stop landlords from renting out residential housing as Boarding/Rooming Houses. Hear what progress they have made and how we can support the effort.

Remember Bob Meza being accosted in the Alliance Gas Station in Newhall. We have invited the Sheriff Department to discuss law enforcement activities in that area and what we can do to keep from becoming another victim.

The four Mayor Kellar Town Hall Meetings have been held. Find out what issues were raised, how they were received and what actions were committed.

Did you know that 3 out of 5 of our Council Members voted to limit our Traffic Department in proposing solutions to traffic problems around the city. We will discuss how this affects Benz Road, Canvas/Linda Vista, and the whole city for that matter.

We will also be presenting the status of One Valley One Vision (OVOV) and how it will affect our valley, our future and the application of other laws, such as SB2. If you intend to continue to live in Santa Clarita, you have got to be aware of this issue.

See the seemingly never ending Sign Pictures, learn what Code Enforcement is doing to rid our streets of illegal signs and comment on sign statistics and MUCH MUCH MORE.

Other Important Things Happening Around the City

The City's Planning Commission will hear a presentation from city planners and the OVOV project consultant regarding the draft OVOV Housing Element on

Tuesday, November 18, 2008 at 5 p.m. in City's Century room located on the first floor of City Hall at 23920 Valencia Boulevard.

Public comment on the Henry Mayo Hospital Expansion Environmental Impact Report will be closed at a Special City Council Meeting on Wednesday November 19, 2008.

See you there.

Let's continue to work to make our community a better place to live.
Together we CAN make a difference.
