Please join us for drinks, hors d'oeuvres and an evening with Assemblymember Pedro Nava to support his candidacy for California Attorney General in 2010. Pedro has been endorsed by the **Humane Society Legislative Fund** for his extraordinary work protecting animals and punishing abusers. He is the only legislator to have authored 3 animal cruelty measures in a single legislative session with all 3 reaching the Governors desk.

Sierra Club ranked him the best coastal protection vote during his 8 years on the California Coastal Commission and he recently led the charge defeating the Governor's attempt to open California coastline to more offshore oil drilling.
