The Walsh/Austin Joint Venture was recently awarded a contract with the Los Angeles World Airports (LAWA) for the LAX Tom Bradley International Terminal West Gates Project valued at approximately **\$425 million**. The Walsh Austin team is a national leader in the inclusion of minority and woman-owned firms, and prides itself in mentoring and building capacity in the communities they impact.

Their policy is to promote, encourage, and provide as many subcontractor and sub-consultant **opportunities** as possible to M/W/S/OBE's. They are committed to maximizing opportunities on any and all of our projects by engaging and utilizing these businesses to further **diversify** the makeup of the project team. This project presents a significant opportunity for small, local/regional, **disadvantaged business enterprises**, and they are committed to maximizing this program.

Discussing the LAWA Bradley West Gates Project will be guest speaker James Augustyn, Procurement Manager of Walsh/Austin Joint Venture.

Please RSVP no later than **Friday, September 4, 2009** by calling (323) 292-1297 or by emailing to [info@glaaacc.org](mailto:info@glaaacc.org)
