

ACS hiring summer-only seasonal full-time positions across U.S.

Airport Customer Service is hiring for full-time seasonal positions in many airports across the U.S. including all domestic hubs. ACS is looking for candidates committed to providing exceptional customer service in customer check-in and baggage handling capacities. Successful candidates will work 40 hours a week from **June 1 through Aug. 31**.

“We know great employees have great family and friends. This is a wonderful opportunity for employees looking to help friends and family out with a summer employment lead,” said Carol Zupancic, v.p.-ACS, Stations. “Spread the word to your great friends and family today to apply at delta.com/careers, and then select Airport Customer Service Ticket/Gate or Baggage Handler/Ramp Operations.”

These seasonal employees will earn \$10.82 per hour and have Delta worldwide travel privileges. All referred candidates must be at least 18, able to lift 70 lbs, authorized to work in the U.S., **have a high school diploma/GED and a valid driver’s license**. A background check and drug test will also be part of the hiring process. These summer positions are not eligible for the employee referral program.
