

PG&E is Hiring Gas Utility Workers - Pass It On

As valued partners and employees of PG&E, please help us inform and identify qualified candidates by sharing our hiring news through your various networks and communication channels. Jobs will begin posting on 1/21/11 and will continue to post intermittently throughout the year.

Pacific Gas and Electric Company has announced plans to hire Utility Workers, Gas - General Construction across the company's service territory throughout 2011. Jobs will be posted to www.pge.com/careers. Each requisition will remain posted for five calendar days.

Important: All candidates must apply on-line at www.pge.com/careers to be considered for a job. We expect to receive thousands of applications for these jobs and only the most competitive candidates will be contacted to move forward in the process. Candidates are ranked based on desired and minimum qualifications and then randomized to ensure equal opportunity for all.

The Utility Worker job (see partial job description below) is covered under a bargaining agreement with IBEW Local 1245. Wages start at \$24.99/hour plus comprehensive benefits.

How to Apply: Candidates should APPLY and COMPLETE A PROFILE today at www.pge.com/careers <<http://www.pge.com/careers>> . If you are interested in more than one job, you must apply separately to each posting. To receive notification about new postings as they become available, sign up for email notification when creating your profile.

IMPORTANT: Utility Worker jobs will be posted on both the Skilled and the Management & Professional job search portals of our website, however, it is important to APPLY ONLY through the SEARCH SKILLED JOBS <<https://pge.peoplescout.com/jobs/JobCategoryRequestAction.action;jsessionid=B7EB34F5A0F12F44272A9DAD69431456?PSUID=64cba800-974c-4b4f-9077-4da2be1a4483>> web portal. If you do not apply through the Skilled jobs portal your application will not be considered.
