

HIRING: Lead Construction Trainer

Available: ASAP!!!

Looking for an individual to develop and run a new pre apprenticeship “green” construction training program at the Century Center for Economic Opportunity, Inc. in Lennox. Candidate must have significant experience in the construction industry; (general contractors license or journey level experience in a particular trade. Must demonstrate training/teaching experience to small groups of trainees, ability to effectively impart knowledge in basic construction skills and practices).

Salary Range: \$55k-\$75k/ yr plus benefits

Duties:

- Implement course curriculum through mini lectures, small group discussions and hands on training demonstrations
- Coordinate and supervise staff and other trainers.
- Work directly with at risk young adults and older adults to overcome barriers to success and increase job prospects
- Promote “Green Building” for new and existing housing.
- Establish a training schedule to ensure training outcomes are met

MIN. REQUIREMENTS: General Contractor’s License/or at least five years of experience at the journeyman level; bachelor’s degree preferred; experience in a classroom setting, teaching high school, college or vocational education classes is a plus; experience with educating individuals of diverse backgrounds; experience in program development and marketing; good verbal and written communication skills; ability to train and supervise staff and monitor the work of independent contractors; skilled in computer programs including word processing and spreadsheets; ability to work with low-income families and ethnic minorities.

-IMPORTANT – Please provide a Cover Letter and Resume not to exceed more than one page and must include information that clearly demonstrates experience with program management, construction management, staff supervision and training of others in a safe environment.
