This site is updated daily. Thank you.

David Galaviz
Executive Director
USC Local Government Relations
213/740-7400

Description:

The University of Southern California is pleased to provide job seekers with an online database of all open positions and the tools to apply for positions online. The Careers site is updated daily and includes all non-faculty positions. Job seekers can search the database by specific criteria and submit applications online.

As the largest private employer in the City of Los Angeles, the University of Southern California offers the opportunity to work in a stimulating and diverse environment. In addition to outstanding career opportunities, employees enjoy excellent benefits that include health and dental coverage, generous vacation and holiday accrual plans, a choice among several competitive retirement options, tuition assistance for staff members and their family, credit union membership, library privileges, and participation in cultural and social events.

The University of Southern California is proud to present Jobs @ USC where job applicants are able to easily search and apply for many of the exciting opportunities that USC has to offer. Apply online today and work for a world-class university and Time Magazine's College of the Year 2000. For added convenience this site is updated daily.
